legal and regulatory obligations and the provision and improvement of services and content, always respecting the provisions of this POLICY.

4.1.1. Examples of Personal Data that may be collected and stored:

- When utilizing our services (such as contacting us via the website or in person), a small registration will be conducted, including Personal Data from the company's legal representative.
- When you share content with family and friends using PORTO CENTRAL services, the data provided about these individuals may be collected.
- While browsing our websites, we may collect data that allows us to identify your device (static IP/MAC address, persistent cookies), as well as other clickable data (activity history, security-related questions and answers, etc.).
- Upon signing the service provision contract, goods and merchandise purchase contracts, or contracts related to Business Partnerships, certain Personal Data will be collected from the company's legal representative for signature.
- Storage of Personal Data resulting from the contracting of services for the execution of socio-economic activities subject to PORTO CENTRAL's environmental programs established by IBAMA, within the scope of its environmental licensing.

4.2 Use of Personal Data

Personal Data collected through our communication channels (whether via the website, by telephone, in person, or any other means) enables us to keep users updated on the latest services, project progress, and events hosted by PORTO CENTRAL. Users may request, at any time, to stop receiving information sent by PORTO CENTRAL by emailing privacidade@portocentral.com.br.

Personal Data is also used to create, develop, operate, provide and improve our products, services, content and advertising, as well as to prevent losses and fraud.

We may use Personal Data to send important notices, such as communications about the services and changes to our terms, conditions and procedures.

We may also use Personal Data for internal purposes, such as auditing, data analysis and research aimed at improving products, services and communication with PORTO CENTRAL Business Partner(s) and Supplier(s).

products and services and conducting surveys (evaluating the level of satisfaction). These Third Party(s) must protect your information in accordance with this POLICY.

4.4. Sharing of Personal Data

Legislation and/or public agents, local or international, may require PORTO CENTRAL to reveal your Personal Data. We may also disclose Personal Data if we determine that for purposes of national security, law enforcement or other public policy concerns, disclosure is necessary or appropriate.

We may also disclose Personal Data if we determine that disclosure is reasonably necessary to enforce our terms and conditions or protect our operations, or PORTO CENTRAL's Business Partner(s) or Supplier(s).

In the event of a reorganization, merger or sale, we may transfer any and all Personal Data we have collected to the Third Party(ies) involved.

4.4.1. Sharing of Personal Data between companies that make up the Organization that PORTO CENTRAL is part of

We commit to maintaining a consistent and adequate level of protection for Personal Data that is processed and/or transferred between the various legal entities belonging to the Organization to which PORTO CENTRAL is a part. A data transference to another legal entity within the same Organization is considered an internal data transference and, therefore, already covered by the authorization in the Consent Form.

4.4.2. Sharing of Personal Data with Third Party(s)

The information database formed by PORTO CENTRAL may be made available to Third Parties, who are strategic Business Partners for the benefit and generation of mutual results, such as the provision or improvement of our products, services, and advertising. Third parties may not use the PORTO CENTRAL database for their marketing actions.

In the case of sharing Information with Third Parties, PORTO CENTRAL must make sure that (i) the other legal entity has the structure to apply the rules, guarantees and restrictions existing in this POLICY for the transfer and subsequent use, processing and storage of Personal Data, (ii) the transference of Personal Data is in accordance with applicable Data Protection legislation and supported by contract, and (iii) the

processing of Personal Data is limited to the purpose for which the transfer agreed by the generating legal entity in PORTO CENTRAL.

4.5. Protection of Personal Data

PORTO CENTRAL's online services ensure the protection of your Personal Data during transmission through encryption. Furthermore, data will be stored in encrypted form shortly thereafter.

While we implement robust security measures, it's important to acknowledge that no security system is entirely foolproof. Therefore, PORTO CENTRAL cannot be held liable for any potential damages or losses arising from system failures, viruses, or unauthorized database access affecting our products, services, and website, except in cases where we have acted with intent or gross negligence.

When utilizing any PORTO CENTRAL product, service, application, message forum, chat room, or social networking service, any Personal Data shared by Business Partners or Suppliers may be visible to and accessed by other users. In such instances, you assume responsibility for the Personal Data you choose to disclose.

Please note that if you include your name, email, or other Personal Data in a post, this information becomes public and is solely your responsibility.

4.6. Integrity and Retention of Personal Data

PORTO CENTRAL allows its Business Partner(s) and Supplier(s) to easily keep their Personal Data accurate, complete and up to date. We will retain Personal Data for the period necessary to fulfill the purposes described in this POLICY, unless a longer retention period is required or permitted by law.

4.7. Access to Personal Data

PORTO CENTRAL's Business Partners and Suppliers play a vital role in ensuring that your contact information and preferences remain accurate, complete, and up-to-date.

You have the option to request updates, corrections, and deletions of any stored Personal Data unless PORTO CENTRAL is legally obligated or has legitimate commercial reasons to retain it.
